

# *Hot Caramel Apple Cider*

**Nothing says fall is here like hot apple cider (with alcohol!)**

- Servings - 4
- Prep time - 1 minute

## **Ingredients**

- 4 mug's worth of apple cider
- 1 mug's worth of caramel vodka
- 1 tablespoon cinnamon
- 1/4 cup brown sugar

## **Protocol**

1. Mix all of the ingredients above in a large pot.
2. Heat over medium-low heat, stirring occasionally until liquid just begins to steam (don't over heat or else the alcohol will burn off).
3. While cider is warming up, take your mugs or glasses and rim them with brown sugar.
4. Pour cider into your rimmed glasses, serve and enjoy!
