

Easy Broccoli Salad

But really, raw veggies are so much better for you!

- Servings - 4-6
- Prep time - 5 minutes
- Cook time - None!

Ingredients

- 1 bag broccoli florets
- Handful of baby carrots (about 10ish, or use 1 medium carrot)
- 1 stalk of celery
- Handful of sprinkly cheese (we used about 1/2 cup of mozzarella)
- 2 or 3 strips of bacon, cooked and chopped or crumbled
- Dressing of choice (we love using Penzey's Italian Dressing base with balsamic vinegar and olive oil!)

Protocol

1. Make sure all your veggies are washed and dry. Chop to whatever size you like.
2. Mix everything and add your dressing! It's best to add the dressing over each individual portion, so the rest can be refrigerated and saved for later.
3. Serve and enjoy!
