

Fancy Egg Sandwich

Step aside McGriddle.

- Servings - 2 sandwiches
- Prep time - 5 minutes
- Cook time - 5 minutes

Ingredients

- 4 slices of toast
- 4 slices of bacon
- 2 eggs
- 2 onions, caramelized
- Handful of spinach leaves

Protocol

1. In a non-stick pan, cook your bacon slices until they are crispy. Reserve the bacon fat in the pan.
2. If you don't have caramelized onions already on hand. Cook the two chopped onions in the bacon fat until they are golden brown and soft.
3. Cook two eggs over easy in the pan with the bacon fat, be careful not to break the yolks.
4. To assemble the sandwiches, spread the caramelized onions on the first slice of toast, add on one over easy egg, and top with 2 strips of bacon and spinach (and the other slice of toast).
5. Slice down the middle and enjoy!
